It is free to use and can be used by anyone who has a home . See the latest verified ratings & reviews for WhatsUp Gold. Compare real user opinions on the pros and cons to make more informed decisions. 24 Oct 2009 What Is WhatsUp Gold? WhatsUp Gold is a program that monitors the state of a network, check the health of some web services, and ensures that computer downtime is as low as possible. It does that by counting all network traffic and providing an on-screen graph that reflects everything that happens. Despite being a rather small program, WhatsUp Gold still manages to deliver as much functionality as some very large software packages. WhatsUp Gold lets you find and fix network problems fast – usually before end users notice. Its unique, interactive mapping interface lets you.
