A: May 6th, 2020 Most likely, you haven't downloaded the correct installer for the Ozone IsoTools version you are using. The installer you downloaded is probably for a previous version of Ozone. When you first download Ozone, you can download the Trial version and then you can download the full version. More details at: IsoTools Additionally, if you're looking for a free master control app for macOS, try Spectral EQ Free. I use it for comparison and it works well for EQ, comp, and using it for mastering. More details at: Spectral EQ A: May 6th, 2020 Most likely, you haven't downloaded the correct installer for the Ozone IsoTools version you are using. The installer you downloaded is probably for a previous version of Ozone. When you first download Ozone, you can download the Trial version and then you can download the full version.
