2D collisions in the lab. very different results. I can make anything I want out of stone and wax! I can make a statue out of them! Very often, when a baby sees how other children play with plasticine or clay, and he himself has a desire to try. But his first reaction will be exactly the same: I can make anything I want out of stone and wax! And it is. But you should not immediately start creating something monumental out of them. To get started, just play with clay or plasticine.
